Security in elections is of utmost importance. It would be ridiculous to announce the party affiliation for all to see. Anytime the ballot is out of the hands of the voter, chain of custody is at risk. Especially risky is the mail box (unattended), post office (unattended batches) and mail carrier trucks (only one person responsible). No doubt why and how hundreds of mail in ballots appear or disappear: vulnerability of the mailed vote and voter rolls that are not accurate (open door to fraudsters).

Chairman Cain, Vice-Chairman Gonzalez, and other Elections Committee members, my name is Virginia Sidrony. I am a long-time resident of Fort Bend County, and I am a constituent of Representative Jetton.

I am extremely concerned that some of these bills do not really have anything to do with "Voting Integrity", but actually have more to do with "Voter Suppression".

HB 2320 - Lines 7-13 are awkwardly worded. Although I completely understand what he is trying to do on this bill, I think it would be difficult for the average person to decipher.

I sincerely hope this Committee will give careful consideration to my concerns, as well as those of others, relative to this worrisome bill.

Thank you.
